Contact Search page 1

Figure 1 is a screenshot of a web application interface. The interface includes a header bar at the top right displaying the date and time: "John Smith | 19/5/03 | 2:47 PM". Below the header, there is a navigation bar with two buttons: "Back to List" and "Contact Search". The main content area is divided into two sections. The top section is a search form with the title "Contact Search". It contains four input fields: "First Name", "Last Name", "Email", and a "Search" button. The bottom section is a table with the following columns: "First Name", "Last Name", "Email", "Company", "Relationship", and "Send email/SMS events?". The table contains two rows of data: one for "John Smith" with email "jsmith@quick-hits.net" and relationship "Owner", and another for "Jonathan Jones" with email "j@quick-hits.net" and relationship "Owner". To the right of the table, there is a sidebar with a section titled "Send auto email/SMS events". This section contains a "Relationship" dropdown menu, an "Owner" dropdown menu, and two radio buttons labeled "Yes" and "No". The interface is annotated with reference numerals: 182a points to the header bar, 182b points to the navigation bar, 190 points to the search form, 191 points to the table, 192 points to the sidebar, 193 points to the "Send auto email/SMS events" section, 194 points to the "Relationship" dropdown, and 209 points to the "Back to List" button.
